

CARE & MAINTENANCE

To protect the surface more efficiently and keep your floor looking like new, protect the surface with a suitable wash and shine product such as LONG LIFE.

This product requires no rinsing after application.

Extra surface protection can be achieved by applying LONG LIFE Self Shining Floor Polish. It is especially formulated to give your floor protective high gloss finish.

Washing the floor will not spoil the shine.

Do not use wax.

Scuff marks, various types of shoe soles may cause scuff marks. If scuff marks appear, we recommend you identify the cause eg. joggers/runners and remove.

No claims will be accepted for scuff marks.

Avoid surface scratches by sweeping or vacuuming your floor as often as necessary to remove loose dirt.

Weekly maintenance should be carried out by washing the floor with water and a floor cleaner.

LONG LIFE products are manufactured by Pascoe's and available from Bunnings or Woolworths.
